

Cable for RTD PT100 sensors, High Density Plastic

200°C.

A selection of extension cable for use with RTD sensors.

Multi cores of stranded 7/0.2mm diameter conductors. Each conductor is extruded High Density Plastic insulated and sheathed (black). The cores are twisted together.

Unit	Model	Technical
Meters	RTD-Pt100 (2WR)	2 cores, 2.3 mm 1 x Red, 1 x White
Meters	RTD-Pt100 (3WR)	3 cores, 2.5 mm 2 x Red, 1 x White
Meters	RTD-Pt100 (4WR)	4 cores, 2.5 mm 2 x Red, 2 x White
